“Secrets of a Male Gold Digger”

A Novel Based on a true story

"Secrets of a Male Gold Digger is a well-written, informative narrative. Deceit, love and greed – a glimpse of the lifestyle of the comfortably rich. Each character is brilliantly woven together to make the read a non-stop, can't put down entertaining book."

C. L. Long, Author "Compromising Levels"

"An intoxicating story that shows how greed overshadows human frailty while compromising moral integrity."

Greg L. Johnson

"Secrets of a Male Gold Digger is a rich, thought provoking novel that stretches beyond the traditional definition of a 'Gold Digger'. Harrison has found a way to portray an entertaining story about the choices and consequences of greed when the tables are turned."
