

## Sample Interview Questions

Author of **“Secrets of a Male Gold Digger”**  
*A Novel Based on a true story*

A successful woman struggles to understand her husband’s demise as his excessive spending habits and late nights leave her suspecting his motives.

Interview Questions	Answer takes
1) So Harrison...You indicated “Secrets of a Male Gold Digger” is based on a true story, what motivated you to write this story?	<b>60 seconds</b>
2) Most times, a gold digger is referred to as a woman, being that Trent is a man, how does he qualify as a gold digger?	<b>60 seconds</b>
3) How differently do men define their success vs. women?	<b>45 seconds</b>
4) Is it really possible for a woman of Nora’s stature to allow a man like her husband Trent to enter her life and go undetected as a gold digger?	<b>45 seconds</b>
5) How do older women dating younger men factor into the role you have defined as a male gold digger when the woman is actually aware of the financial situation of the man she is dating?	<b>30 seconds</b>
6) Your story touches on your main character’s vulnerabilities, each struggling to confront their personal insecurities, how does that factor into their behavior?	<b>1- 3 minutes</b>
7) With the economy’s current state, what does the statistics tell us about women’s earning potential compared to men?	<b>60 seconds</b>
8) If you factor the number of professionals losing their jobs with the ratio of men to women, particularly in major metropolitan cities, how do you think the combination affects a woman’s standards in selecting a male companion?	<b>1 – 3 minutes</b>
9) As modern times change the face of the household, shouldn’t we expect to see a growing trend of women going to work, and making more money than their spouse?	<b>30 seconds</b>
10) Do you think financial compromise is ever possible for women when men traditionally are expected to be the provider?	<b>60 seconds</b>
11) Should we really be surprised when we hear the term “male gold digger” knowing what we know? Is it only wrong because it’s man?	<b>60 seconds</b>
